GAME CHANGING EXPERIENCE

TRUSTED TO BE INCLUDED IN HUNDREDS OF SPORTS VENUES

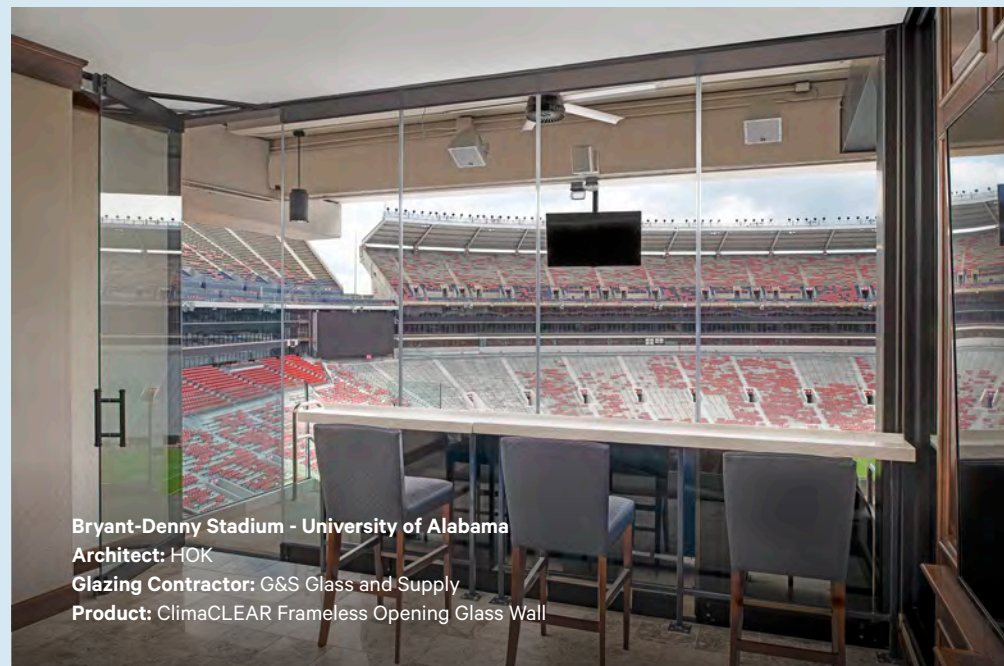

UC Berkeley - Cal Memorial Stadium
Architect: Studios Architecture
Glazing Contractor: Woodbridge Glass
Product: Single Track Sliding System HSW60

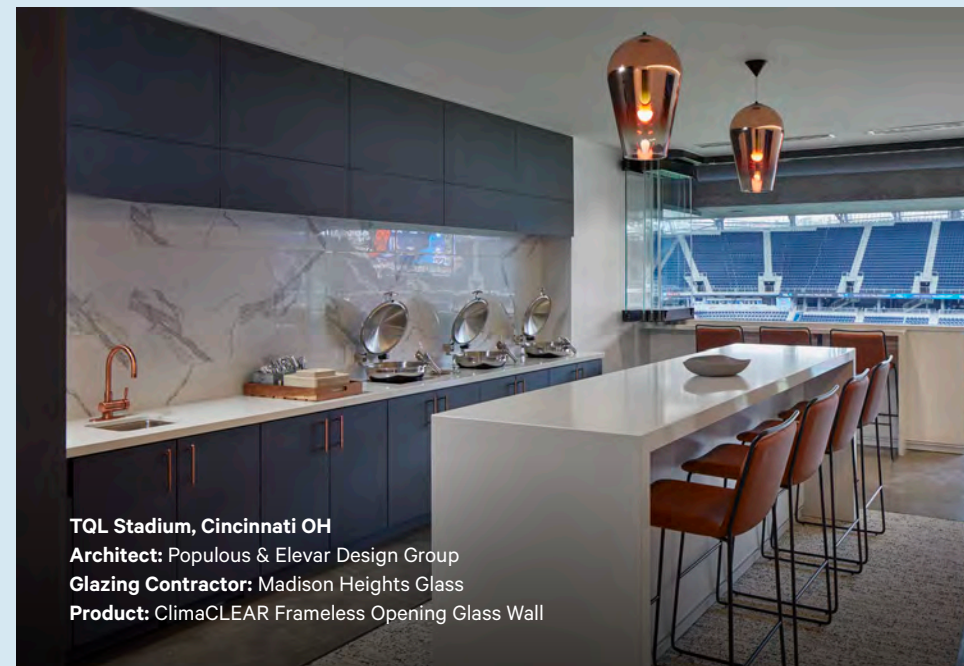

The in-game experience has become more important than the game itself as the fan expects more from their surroundings—a level of experience equivalent to deluxe hotels, clubs, and restaurants.

Over the past few years, NanaWall Systems has been part of more national winning sports teams. Our innovative opening glass walls bring the fan base together and provide unique event experiences.

Sports Venues Highlights

- Command higher ticket prices / PSL rates with a flexible configurations that offer a unique experience for the fan.
- Multiple uses and configurations equals continuous source of revenue with various types and sizes of events.
- Separate interior spaces and create suites from standard luxury boxes.
- When open, the fan experiences the crowd but when closed, the NanaWall provides a transparent barrier with unobstructed viewing while providing greater fan comfort.
- In the off-season, the weather resistant NanaWall opening glass walls protect interior spaces and furnishings from exposure and/or unauthorized entry.
